TAPE MEASURE TOOL TRAP

The Squids® Tape Measure Tool Trap is the safest way to secure and use a tape measure when working at heights. Easy hook and loop adjustable straps accommodate a variety of large tape measures, while still allowing normal use. Designed with a zinc-plated cast alloy D-Ring connection point to securely attach a tool lanyard. The stainless-steel belt clip easily attaches to fall protection harnesses, work belts and tool belts. This Tape Measure Trap is available in two sizes and is the ideal holder for tape measures between 16ft - 25ft // 5m - 8m and 30ft - 40ft // 9m - 12m.

Features

- TESTED & APPROVED – ANSI/ISEA 121-2018 compliant
- DURABILITY – 1200D and 600D polyester main material for long life & durability
- EASY TO USE – Hook and loop straps secure tape measure inside trap for safe and easy tethering
- TETHER RING – Strong zinc-plated cast alloy D-Ring
- BELT CLIP – Stainless steel belt clip for secure attachment
