

The day awaits. Meet it confidently.

The portability, speed and connectivity you need.

Working on the go is more important than ever. The Galaxy A7 Lite equips your teams to work without compromise.

Ready for the demands of the workday.

A metal frame, long-lasting battery and other features make the Galaxy Tab A7 Lite an ideal partner for a rough workday.

Built for a worry-free workday.

Security and management tools help keep teams' work highly secure, while keeping worry to a minimum.

Galaxy Tab A7 Lite (LTE)

Be ready for the challenges of the day.

The portability, speed and connectivity you need.

The work goes where you go.

- Compact 8.7" screen, slim design and sturdy metal frame, so it's perfectly sized for work on the go.

Performance that won't let you down.

- Fast speed and plenty of storage for multiple users.

Stay connected.

- Wi-Fi, Bluetooth and LTE¹ so your team can stay connected and working just about anywhere.

Ready for the demands of the workday.

Sturdy frame for lasting protection.

- An upgraded metal frame helps protect against everyday bumps and bangs.

More power to you.

- An enhanced battery will power your teams through the day and into the evening on a single charge.² The fast-charging USB-C port gets them back up and working quickly.

Put all your devices to work.

- Maximize productivity in new ways with a dynamic interface that lets you control all your Galaxy devices at the same time.

Hear every detail.

- Dual speakers with Dolby Atmos deliver balanced, high-quality stereo sound when in landscape mode.³

Built for a worry-free workday.

Trusted security, built in.

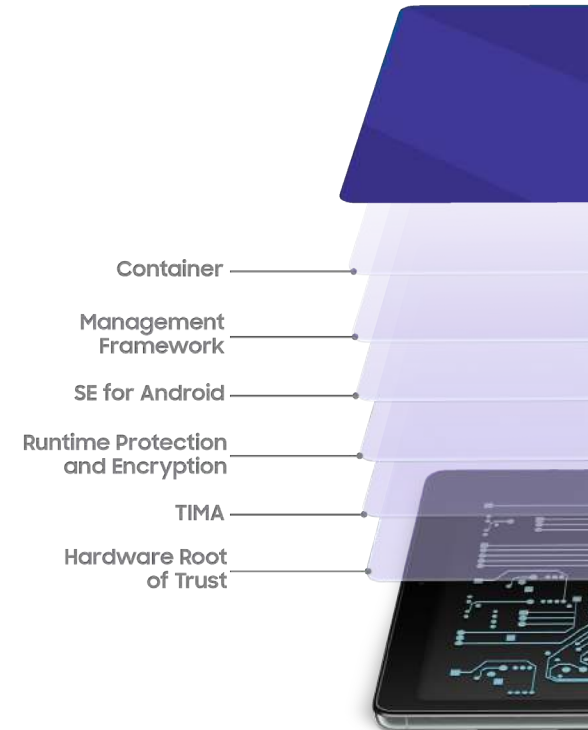

- Built on the Samsung Knox trusted security platform, the Galaxy Tab A7 Lite provides great protection from intrusion, malware and malicious threats.⁴

Stay in sync and in control.

- Knox Suite offers a complete set of cloud-based solutions designed for the mobile workforce.⁵ Easily control your team's devices from end to end.

Total care. Total assurance. Total control.

- Samsung Care+ for Business has your back with hassle-free device repairs, an extended warranty of up to three years with coverage for accidental damages, plus real-time technical support.
