

MagConnect HD Universal Adhesive Mount Only (38mm)

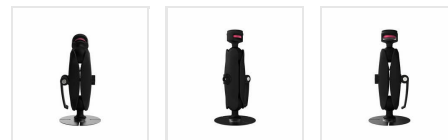

Quick connect tablet mount with drill down/adhesive base for high vibration vehicle dashboards

SKU: MMU331
MSRP: \$109

The MagConnect HD Universal Adhesive Mount is an easy to install car dash mount. The mount base attaches with either the industrial grade 3M VHB adhesive or four screws. This semi-permanent application is great for virtually any vehicle dashboard. The mount's base is flexible to accommodate slightly curved surfaces. It features MagConnect magnetic technology which allows the user to seamlessly detach and attach any MagConnect compatible case to the mount.

For workers in utility and energy, transportation and government, the Universal Adhesive Mount offers a low footprint solution for mobile workstations. Users can easily position a tablet or smartphone to allow them to be handsfree while on the go. The mount's spherical rubber ball joints provide stability and allow the user to position the device at their optimal viewing and operating angle.

- Compatible with all cases and enclosure featuring MagConnect compatibility
- Semi-permanent installation onto any flat or near flat surface
- Base attaches via industrial grade 3M VHB adhesive or screws (not included)
- Certified vibration and shock resistant MIL-STD-810G 514.7
- Built with two 38mm spherical rubber coated ball joints to provide maximum holding strength
- Made with corrosion-resistant material making it ideal for mixed element environments
- Features cable management, 360 degree rotation, shock and vibration resistance, and near infinite adjustability
- Mount features two 38mm ball joints for increased hold capacity
- Optional locking lever for usage in public spaces

BENEFITS

- Configurable
- Ease of Use
- Ergonomic
- Expand Usability
- High Quality
