# Premium Floor Stand Kiosk with Graphic Slots and VESA Plate for Kitting (Black)

This kiosk stand makes a bold statement in hotel lobbies, trade shows, sales meetings, retail locations, welcome centers, and any place that requires the right messaging. Insert your graphic with ease into side slots. (We'll provide specs to help you create the right size graphic.) You'll find ample space behind the graphics panel to route charging cables. The sturdy steel base provides a secure foundation to hold your tablet enclosure (not included). This stand comes with a VESA mounting plate that works seamlessly with CTA's popular Paragon Enclosures and other 75- x 75-millimeter and 100- x 100-millimeter VESA-compatible device holders.
