HD 1080p Webcam with Omnidirectional Mic and Built-in Speakers

.....

Connect with colleagues, clients, family and friends in crystal clear HD video and audio. Plug-n-Play ready and compatible with all laptops and computers running MacOS and Windows.

Overview:

Aluratek's HD 1080p Webcam with Omnidirectional Mic and Built-in Speakers let's you connect with the people you care about with video calling and video recording. The built-in omnidirectional microphone with auto low light correction allows colleagues, clients, family and friends to see and hear you in crystal clear HD video and audio. AWCS06F is Plug-n-Play ready and compatible with all laptops and computers running MacOS, Windows, Chrome and Linux and works with popular video calling clients like Skype, Zoom, Teams and Google Hangouts.

HD Video Conferencing

Video conference, vlog and video record in full HD 1080p video and audio with Skype, Zoom, Teams, Google Hangouts and other video calling clients. Features an omnidirectional mic to capture natural sound and a wide 95 degree angle distortion free view.

Features:

- Full HD 1080p video calling and video recording - great for webinars, video conferencing, live streaming, vlogging, etc.
- Built-in stereo speakers and omnidirectional microphone
- Automatic low light correction adjusts color and brightness for natural lighting even in dim light
- Capture wide 95 degree angle distortion free video
- Plug-n-Play USB, no downloads or install of drivers or software
- Built-in tripod mount and webcam lens cover
- Adjust the camera eye up to 120 degrees
- Built-in clip will secure webcam to any screen or monitor
- Limited 1 Year Warranty

Universally Compatible

The HD 1080p Webcam is compatible with all laptops and computers running MacOS and Windows. The adjustable built-in clip will firmly secure your webcam to any screen or monitor. Built-in tripod mount makes the camera compatible with all tripods.

Built-in Speakers

The webcam features dual speakers that amplifies the voice of your video conference participants much better than the speaker on your laptop.

Built-in Tripod Mount

The webcam features a built-in tripod mount on the bottom of the mounting clip that is compatible with tripods and quick release plates with a 6 mm (.25 in.) mount screw.

USB Plug-n-Play

Get up and running quickly without having to install drivers or software. Simply connect the webcam to the USB port on your computer to start chatting with your favorite video calling application. Works with USB-C or USB-A Ports (USB-C to USB-A Adapter included)
