ProductSheet
HP Pro c640 G2 Chromebook (4Q5B0UT)

The powerful, sleek, and secure Chromebook for business-class productivity

Move easily through your day with the fast and secure cloud-first HP Pro c640 Chromebook. The latest Intel® processor[1] provides enhanced performance, while Chrome OS and an HP Privacy Camera deliver enterprise-grade security.

Stylish, thin, and light
Work almost anywhere with this beautiful, ultrathin Chromebook—durable whether at your desk or on-the-go.

Secure and durable
Get built-in security with Chrome OS automatic updates, anti-virus protection[9], and HP Privacy Camera.

Productivity and collaboration
Easily collaborate and stay productive with dynamic, intuitive features built to work together efficiently.

Featuring

Simplify deployments
Get a low-maintenance experience with the automatic software updates and virus protection of the Chrome OS. [2]

Universal connectivity and charging with USB-C™
Use the USB-C™ port to access and charge your USB-C™ accessories from your Chromebook™ or charge your Chromebook™ from any USB-C™ adapter.

Apps and content for expanded learning
Take learning in new directions with access to the Google Play™ Store and Android™ apps, which include thousands of instantly shareable and easily manageable innovative education apps. [2]

Technical Specifications Footnotes

[6] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

[7] Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See http://www.intel.com/technology/turboboost/ for more information.

[8] UHD/HD content required to view UHD/HD images.

[11] Resolutions are dependent upon monitor capability, and resolution and color depth settings.

[12] Lock is sold separately.

[13] HP Fingerprint Sensor is an optional feature and requires configuration at purchase.

[16] Availability may vary by country.

[17] HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit http://www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

[20] Chrome Enterprise Upgrade is sold separately and requires one-time setup, subscription, Google Admin Console, and your organization's domain. Please see https://support.google.com/a/answer/60216.

[21] Touch and HP Sure View will reduce actual brightness.
