

VESA Compatible POS Station

with Printer Stand, Magnetic Scanner and Card Reader Holder

ADD-PARAPOSW

VESA Compatible POS Station

This countertop POS Station is a heavy-duty stand with a single VESA plate which can be used to attach any VESA compatible device, enclosure or universal holder. It comes with a printer stand, a scanner holder and a universal card reader holder to provide a cohesive, efficient and compact POS system. The easily interchangeable metal bracket can be attached on both right and left sides for a better adjustment. The scanner holder and card reader holder are easily attached on the stand & enclosures by magnetic pads, allowing them to be placed in different positions. The card reader holder is width adjustable to fit different size card readers. This stand provides a reserved space in the front to allow for a receipt printer option. This is the perfect addition for a point-of-sale location, retail store, warehouse set up and more.

Features:

- Heavy-duty steel stand with a reserved space for a printer
- Single VESA bracket to attach an enclosure or a universal holder
- Metal Bracket that allows for various mounting orientations
- Width adjustable Magnetic Card Holder to fit different size card reader holders
