Dual VESA Compatible Table Mount for POS (White)

Dual VESA Compatible Table Mount for POS

This Dual VESA-Compatible Table Mount is the perfect solution for shops, food trucks, outdoor markets, or any place you need a two-device point-of-sale station. The sturdy <steel> body holds two tablet enclosures, and features a handy VESA mount that's compatible with all 75 x 75- and 100 x 100-millimeter VESA-compatible devices, including CTA Digital's popular Paragon Enclosures. Both sides can be adjusted to numerous angles. An interior cable routing system provides ample room to neatly stow charging cables. The side mount is height-adjustable, making this a versatile stand for nearly any place you need to make a transaction.

Features:

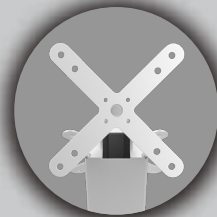

- Sturdy black <steel> table mount
- Dual VESA-compatible 75 x 75 and 100 x 100-millimeter mounting plate
- Interior cable routing
- Screws into countertops for added security
