

EZConvert Ex Pro MB987M2P-2B ICY DOCK®

1 x M.2 NVMe SSD to PCIe 4.0 x4 Adapter with Heat Sink www.icydock.com

Fits 1x PCIe Expansion Slot

Utilizing PCIe 3.0 & 4.0 Interface

Reduce cable clutter inside the system

PCIe 4.0 64Gbps

PCIe 3.0 32Gbps

SATA 6Gbps

10x
Faster!

Tool-less M.2 Drive Installation

Adjustable M.2 Locker

22110

2280

2260

2242

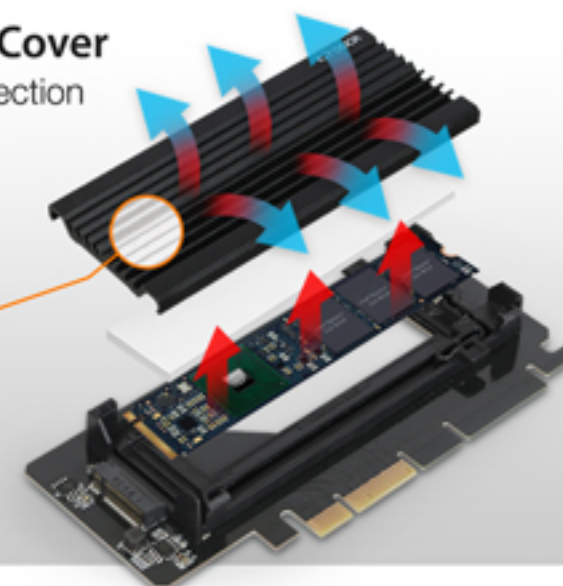

2230

Compatible M.2 NVMe sizes

Dual Function Metal Heatsink Cover

For maximum heat dissipation & protection

Compatible with
Different length PCIe slots

EZConvert Ex Pro MB987M2P-2B Features & Specs

- Fits 1 x M.2 PCIe NVMe SSD with all drive length including 2230 (30mm), 2242 (42mm), 2260 (60mm), 2280 (80mm), and 22110 (110mm)
- Use 1 x PCIe 3.0/4.0 x4 interface, also supports installation into PCIe 4.0 x8, and x16 slots
- Install into a single-width full-height expansion slot
Optional screw holes available for low profile PCIe bracket (not included)
- Low profile design allows for multiple bays to be installed side-by-side in a modular design
- Integrated heat sink and ample ventilation for excellent passive cooling
- Tool-less drive installation design for easy drive maintenance and system upgrading
- PCIe interface provides both power and data transfer, which ultimately reduce cable clutter
- Compatible with 2019+ Mac Pro PCIe expansion slots
- Industry-leading 3-year warranty against all defects

*M.2 SSD not included

Model Number	MB987M2P-2B
Color	Black
Compatible Drive Type	1 x M.2 NVMe SSD
Support Drive Length	2230/2242/2260/2280/22110 (30-110mm)
Host Interface	PCIe 3.0/4.0 x4
Power Input	Via PCIe
Transfer Rate	PCIe 3.0 up to 32Gbps / PCIe 4.0 up to 64Gbps (Depending on SSD Speed)
Drive Cooling (Passive)	Aluminum heat sink with thermal pad
Structure / Material	Metal with partial ABS plastic
Number of Drives	1
Product Net Weight	107.5g
Dimension (W x H x D)	146 x 18.1 x 68.9mm
Package contents	Device, user manual, thermal pad,
