

# Desk Mount with Integrated 2 Port USB Hub With Universal Holder (White)

PAD-USBUHW

## Desk Mount with Integrated 2 Port USB Hub

When you need a desk mount and universal tablet enclosure that helps you work better, look no further than CTA Digital's Desk Mount with Integrated 2 Port USB Hub w/ Universal Holder. This sturdy white metal stand features two standard USB ports for speakers, phone charging, and whatever tech gadgets make your workspace more useful. The mount securely holds virtually any 7-14-inch tablet with an adjustable frame that cradles the corners then locks in place with the turn of the included key. Handy foam adapters provide the padding necessary for a tight fit within the corner brackets. Route cables neatly out of sight within the body of the stand. This versatile unit rotates for use in both portrait and landscape modes and is perfect for waiting rooms, lobbies, gyms, conference rooms, or any place you need a secure stand with locking mount.
