

Class-leading scanner technology, superior value.

Staying ahead of the scanner technology curve doesn't have to mean overspending on document capture hardware and software. With the Visioneer® Patriot™ PD45 Scanner, get the performance and value combination that delivers the return-on-investment modern organizations are looking for. Ideally suited to healthcare, legal, government and financial services sectors that are document-heavy and focused on privacy and document security, the Patriot™ PD45 duplex color scanner has the speed and paper handling capabilities to get the job done. Plus, with network and mobile connectivity, document capture with the Patriot™ PD45 can be as flexible as the workday requires.

Delivering scan speeds of 50 pages (100 impressions) per minute at 300 dpi, the Patriot™ PD45 is both fast and accurate. Get better-than-original quality scans at full speed with Visioneer Acuity, while Visioneer OneTouch®

provides preset profiles and walk-up scanning capability. For jobs that require extra attention, Visioneer Capture SE makes batch scanning, editing, even barcode reading and data extraction simple. Manage archived data intelligently with Visioneer Organizer AI's automated file classification, and put ABBYY® FineReader® PDF (full version) to work with searchable PDFs, optical character recognition (OCR), file conversions and security. With over \$1,000 in software included, implementing the Patriot™ PD45 is a no-brainer.

Visioneer VAST Network® brings network connectivity and scanner sharing to the USB-connected Patriot™ PD45, while the Visioneer Mobile Capture app makes document capture, editing and secure sharing on a smart phone or tablet a reality. The Patriot™ PD45 delivers unrivaled technology value to meet the business needs of today and tomorrow.
