# Floor Stand Add-On

For Dual Goosenecks

## Floor Stand Add-On

Double the device-holding capability of any of CTA Digital's mobile floor stands with this handy Floor Stand Add-on for Dual Goosenecks. This small-but-mighty tool screws easily into the top pole, and allows users to add 2 flexible goosenecks with phone or tablet holders (sold separately). Imagine the hands-free capabilities of teleconference on a cell phone while looking up supporting data on a tablet, creating 2-camera setups for video capture or vlogging, or simply having a place to securely stow a phone while moving from place to place. This handy adapter is compatible with CTA's line of gooseneck cell phone holders (PH-GN) and goosenecks with VESA plates (ADD-GVESAW).

## Features:

- Sturdy metal dual gooseneck adapter
- Compatible with CTA Digital's line goosenecks including PH-GN universal cell phone holder and ADD-GVESAW gooseneck with VESA mount for tablet enclosures
