

VESA Wall Mount Arm with Enclosure (White)

PAD-WMAWE

VESA Wall Mount Arm

The functional design of the VESA Wall Mount Arm with enclosure is the perfect solution for your classroom, conference room, medical office, or any work environment that requires a secure, versatile wall mount and enclosure for LED/LCD monitors and tablets. The mounting plate rotates 180 degrees to allow for either horizontal or vertical device orientation. Articulating arms smoothly extend from 2 inches to a maximum 14.4 inches. The mounting plate also tilts to allow for comfortable viewing from virtually anywhere in the room. This wall mount comes complete with a durable, easy-to-use security enclosure that keeps your tablet or monitor protected from theft with a powerful lock and key security system, all the while, allowing access to all buttons and ports. The enclosure is designed with ample room to allow interior cable routing to keep charging cords neat and out of the way.

Features Include:

- Sleek white <metal and plastic > mounting arm and enclosure
- 180-degree rotating holder and neck
- Mounts to wall using included hardware
- Holds up to 33 lbs.
- VESA 75x75 or 100x100-millimeter mounting interface
