Dual Microphone

Adesso's CyberTrack F1 is a 1080P fixed-focus ultra hd high resolution Desktop Webcam with 30 frame per second that allows you to record and share colorful vivid Ultra HD quality video with fine detail. This webcam is Windows Hello compatible due to it's facial recognition feature and includes a built-in dual microphone that lets your voice be heard loud and clear, whether you are chatting with loved ones or doing business on a video call. Moreover, it also includes a Tripod Mount & Audio/Video Privacy Shutter Switch, with all these great features, you can easily record and transmit your videos to everyone!

■ Facial Recognition & Windows Hello Compatible

The Cybertrack F4 has facial recognition capabilities to allow for secure and fast access to your devices. Gain quick access through Windows Hello by scanning your face through a stored database.

■ 2.1 Megapixel CMOS Sensor

This webcam features a true 2.1M CMOS image sensor that provides crisp, colorful and clear Full HD quality video and snapshot image at a maximum resolution.

■ Adjustable Field of Angle View: 60/75/90/105/120

With a push of a button, users can adjust the angle field of view from 60/75/90/105/120 degrees which enables everyone in the room to be seen. Designed for board-room meetings, telecommuting, or multiperson chats.

■ 1080P Full HD High Definition

The Cybertrack F1 is a 1080P Full High Definition webcam with Fixed Focus and Smooth refreshing rate of 30fps can not only give you a smoother video experience, but can also record high-definition video in any lighting condition.

■ Pan and Tilt feature - 3 Axis Position

Enjoy the freedom of achieving the angle you are looking for by adjusting the range of motion using the pan & tilt 3 axis position making it easier to showcase documents and articles.

■ Built-In Dual Microphone with Noise Cancellation

The built-in microphones provide you with remarkable clarity, to ensure every word is heard with our noise cancellation technology.

■ Advance Audio/Video Toggle Switch

Advance toggle Audio/Video switch for the webcam when not in use, and it is perfect to provide privacy, security and peace of mind to individuals, groups, organizations, companies and governments.

■ Tripod Mount and Rotatable Clip

Take advantage of different angles by using our tripod ready mount and rotating clip that sits conveniently on top of a monitor, laptop, or TV.
