

Tred Vertical Carry Sleeve

The **Tred Vertical Carry Sleeve** provides maximum protection for the 13" MacBook and 11" Chromebooks. The rugged sleeve features 360 degrees of inner foam protection and a rigid wall frame with six sides of padding to protect against compression and drops of up to six feet. It also features a sturdy carry handle, making it easy for students to carry their devices to and from class. An integrated, expandable accessory pouch on the front fits the device charger, cords, and other small accessories when needed and collapses when not in use.
