Universal Flush-to-Wall Mount and Secure Locking Enclosure For iPad Pro 11-inch, iPad Air 4 and More

Universal Flush-to-Wall Mount and Secure Locking Enclosure

CTA Digital's Universal Flush-to-Wall Mount and Enclosure is the perfect solution to display a tablet on the wall, and is well-suited for restaurants, airports, welcome centers, the outside of conference rooms, gyms, and more. The mount installs flush to the wall – either vertically or horizontally – with a set of included hardware. The durable steel mount frames, cradles, and secures virtually any tablet with the help of the included foam inserts. To open the mount, simply press on the inner 3/4-inch frame to pop the cover open. The tablet slides into an inner sleeve and can be locked in place with the included key, making this mount ideal for public displays. Route power cable either through – or – down the wall.

Features:

- Heavy-duty metal frame with inner locking enclosure
- Mounts flush against wall, extending less than one inch out
- Portrait or landscape mounting
- Interior cable routing allows tablet to be powered inside walls
