

CTL Chromebook PX14EX

8GB RAM / 64GB Storage

New and improved high performance devices to power through the work day. With rugged reliability and a safe and secure connection, get more done in less time with the CTL Chromebook PX14EX

Improved Performance

The Intel® Jasper Lake Quad-Core N5100 CPU is great for the education market and those in search of a standard, quality performance device. This improved CPU is said to deliver up to 35% better overall application performance and up to 78% better graphics performance compared to Gemini Lake Refresh processors. With 8GB of memory and 64GB of storage, this processor also features slightly higher burst frequency than previous models.

Connected + Protected

Stay connected in more ways than one with a front-facing HD camera accompanied by a digital mic, various USB ports with both PD and DP functions, Bluetooth 5.0, and WiFi 6. The long battery life and Google H1 HW Security ensures your device is protected while connected. The quick-charge USB-C adapter recharges the 45Whr battery, allowing users to work all day without losing power.

Quality Reliability

Measuring in at 12.9 x 9.0 x .74 in, this compact Chromebook is built for portability while not sacrificing quality. The 1920x1080 display features Intel® 14" FHD (1080p) Graphics for image clarity during meetings, streaming media, and more. Running on Chrome OS, the PX14EX is ready to power on your individual and collaborative projects with the simplicity of a Google account sign-in. With durable hardware and June 2029 AUE, users have plenty of time before needing to replace their device.

Power

We build durable, reliable, and secure Chrome products and provide tailored, end-to-end solutions from education to corporate customers. Whether you need updated video conferencing systems or comprehensive Chromebook deployments, power on with CTL.

Our customer support is based in the USA and our account representatives are always here to help. Know your devices are protected with free 2-way RMA shipping, warranties to protect your investment and Fast Track Service for qualifying customers. Experience the CTL difference with our award-winning products and value-added services that help power on your productivity.
