

4XEM's 20FT range Wireless Mouse

4XEM Part- 4XWLSMS1

4XEM's wireless mouse is a great addition or replacement device to maintain or increase your workstation's productivity. This right-handed 5 button optical mouse offers the ability to cut back on cables in your workstation without diminishing connectivity. With a simple USB-A host connection you will gain 20FT in wireless range to fit into any station configuration you have. Being battery powered also removes the need for charging cables while maintaining a long-powered cycle. Increase productivity with wireless connectivity with 4XEM's simple plug and play mouse.

Problem it solves: Go wireless fast and effectively with 4XEM's wireless mouse. Clean up your desk of cables without losing capability.
