VESA Flushed Wall Mount

This device is the perfect locking wall mount for waiting rooms, lobbies, gyms, conference rooms, or any public place you need a secure way to add a 7-14-inch tablet to a wall. The mount works with or without tablet enclosures up to 1 inch thick. Your device is securely held – and locked – by an adjustable frame that cradles the corners then locks in place with the turn of the included key. If using without a device case, a foam piece provides the padding necessary for a tight fit within the corner brackets. A clever 75 x 75-millimeter/100 x 100-millimeter VESA mount can be screwed directly into a wall or even mounted onto any compatible VESA plate. Once hung, the bracket rotates to allow use in both portrait and landscape orientations. Compatible with iPad 10.2" (7th & 8th Generation), 11" iPad Pro (2018), iPad Air 4, iPad Gen. 5-6, iPad Pro 9.7, iPad Pro 10.5, iPad Air Gen. 1-3, Galaxy Tab A 9.7", Galaxy Tab S2 9.7", Galaxy Tab S3 9.7", Galaxy Tab 3 10.1", Galaxy Tab 4 10.1", Galaxy Tab A 10.1" (2019), Lenovo Tab 4, Surface Go, Galaxy Tab S5E, Zebra Tablets, and more.
