Height Adjustable Desk Mount w/ Non-Security Universal Holder

Height Adjustable Desk Mount w/ Non-Security Universal Holder

This sleek, desk stand and universal holder combination provides a sleek countertop mount for home offices, kitchens, conference rooms, or any place that requires a non-security screen. The sturdy steel base provides a weighted and padded support for the included universal holder with VESA plate. The head unit rotates, allowing tablet use in either portrait or landscape orientation and works with tablets ranging from 8.6" – 15.5". The base gives tons of versatility, adjusts in height from 12.5" – 19.7", and provides full 360-degree rotation with ample tilt options. A handy clip behind the center post neatly routes cables out of the way.
