LEATHER & SUEDE EDITION

The new range of Next Level Racing® Gaming Chairs are designed to complete the Next Level Racing® experience.

Two unique premium gaming chairs targeting different price points for the community.

Manufactured with the same high standard as the Next Level Racing ecosystem, the Elite and Pro Gaming chairs are set to provide Next Level Racing's high-quality experience.

Constructed with premium material for maximum comfort and ergonomics, the Elite and the Pro Gaming chair are designed to suit a wide range of users.

Compatible with Next Level Racing Wheel Stands, the Elite and Pro Gaming Chairs are perfect for any user. Users are now able to get a Next Level Racing branded gaming chair to complete their gaming room.

TAKE RACING TO THE NEXT LEVEL®
