Security Tabletop and Wall Mount for 7-13 Inch Tablets

This versatile Security Tabletop and Wall Mount offers style, security, and ease of use, making it a perfect fit for retail point-of-sale, concierge desks, airport terminals, and more. The tablet holder secures devices with a powerful lock and key system, and features a galvanized steel cable for additional security. Simply anchor cable to any permanent fixture. Secure by inserting end into the mount's K-slot. Unique, slide-adjustable tablet holders grip your tablet by its corners and tilts a full 180-degrees, allowing an easy transition between customer and staff. The mount rotates 360 degrees for use in portrait and landscape orientations. The intuitive, open design permits full access to the tablet's ports, buttons, cameras, and headphone jack for card reader compatibility. The central pole also rotates 360 degrees and accommodates charge cable routing through its hollow body. A handy stylus and elastic tether rests in a convenient built-in holder on the stand. The base comes with protective padding and pre-drilled holes that give the option of creating a permanent workstation on a counter or wall.

Features:
- Lock and key security protects tablets from theft
- Holder tilts 180 degrees for simple POS transactions and rotates 360 degrees for portrait and landscape display
