

Konftel C20Ego Attach

Focus on huddle. Room convenience.

The Konftel C20Ego Attach video kit is optimized for in room PC solutions such as Microsoft Teams Rooms and Zoom Rooms. Perfect for focus spaces up to huddle rooms. The kit includes the Konftel Cam20 4K conference camera and the brilliant Konftel Ego speakerphone with OmniSound® audio quality, plus an extra long audio cable.

Meeting room video solutions based on an in room PC and often a control pad, are simple to operate and a preference for many IT departments. Popular options are the preconfigured Microsoft Teams Rooms and Zoom Rooms, while some choose a more open platform approach. But to bring the system to life a high quality conference camera and speakerphone needs to be connected. The Konftel C20Ego Attach video kit works with all in room PC variants.

OmniSound® 4K Wi-Fi HD [A] [S]

- Room type: Focus to Huddle
- Video kit for in room PC solutions
- 4K Ultra HD
- 123° field of view
- USB
- OmniSound® with HD audio
- Auto framing
- 8x digital zoom
- Two-year warranty
- Climate Neutral certified

IMPRESSIVE VIDEO QUALITY

With the Konftel Cam20 USB conference camera, a clear and balanced image of you and your colleagues is assured. WDR technology automatically adjusts to achieve a good picture in different light conditions, even challenging ones such as low light, direct sunlight and high contrast. 4K video resolution also allows for a great digital zoom. Even at the maximum 8x zoom, the camera is still perfectly capable of producing a detailed image.

CRYSTAL CLEAR WITH OMNISOUND

The Konftel Ego is the speakerphone with the Red Dot design award that stands out from the crowd with its convenient and compact form, flexible use and, above all, incredible sound quality. Despite its size, the Konftel Ego delivers crystal clear sound thanks to our unique OmniSound® audio technology.

MAXIMIZE AUDIO PLACEMENT

The Konftel C20Ego Attach kit comes complete with a 5 meter USB audio cable, to reach back from the PC in front of the room to the speakerphone for central placement on the table.

CLIMATE NEUTRAL PRODUCTS

Konftel is certified in line with the Climate Neutral standard. This means that we have offset all our greenhouse gas emissions and are taking action to further reduce those emissions. When you choose a Konftel product, you keep a clear climate conscience while supporting your organization's growing need for video collaboration.
