Height-Adjustable Floor Stand with Laptop Holder

Height-Adjustable Floor Stand with Laptop Holder

CTA Digital's Height-Adjustable Floor Stand with Laptop Holder creates an instant digital workspace for hospitals, conference rooms, presentation theaters, and anywhere in between. This ultra-durable rolling floor stand has a telescoping, height adjusting center pole, that lets users work while sitting or standing. 5 powerful swivel casters attach to the chrome plated base, making transport a breeze. The laptop is held securely with rubber grips at the base, a 3/4-inch, and adjustable spring-loaded arms at either side. Once installed, laptops can be rotated 360-degrees on the plate offering preferred viewing orientation. This holder works with laptops from 11.25 – 17.625 inches wide.

Features:

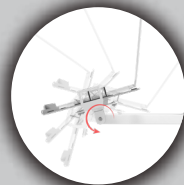

- Sturdy chrome and steel stand with height-adjusting, telescoping pole
- 5 swivel casters lock in place with toggle switch
- Laptop arm attaches with convenient VESA plate
- ADA compliant
- Laptop holder rotates 365-degrees for convenient viewing angle adjustment
- Perfect for conference rooms, auditoriums, and more
