

MI-305L

## Fixed TV Wall Mount

A SLIM, LOW-PROFILE DESIGN TO COMPLEMENT YOUR SPACE

Ultra-slim low profile TV mount sits only 1 inch from the wall for a clean and modern look. Its simple yet effective design features 220 lbs of carrying capacity and a locking bar for security.

- Features 3 different bracket positions allowing you to adjust the height of the TV to adapt to any environment. The locking bar at the base of the mount allows you to lock your TV with your own padlock, making it ideal for any public spaces.
- Enjoy a hassle free installation process with the bubble level and included hardware. The convenient wide openings allow for easy and simple cable management.

**HEAVY DUTY CONSTRUCTION.** Holds up to 220 lbs.

**EASY INSTALLATION.** Get back to watching in no time.

**DESIGN.** Low profile, simple design for a clean and modern look.
