

DELL PRO STEREO HEADSET – UC350

Exceptional voice clarity. Flexible connectivity.

SKYPE FOR BUSINESS CERTIFIED

Enjoy enhanced in-person call quality and music clarity with HD wideband voice and a dynamic equalizer. Rest easy knowing that your Dell Pro Stereo Headset works with most major unified communication platforms, and is Skype® for Business certified.

NOISE-CANCELING MIC

The Dell Pro Stereo Headset features a built-in noise canceling mic, so that only your voice will be picked up and not the surrounding background noise. Leatherette ear cushions offer passive noise reduction, eliminating high frequency ambient noise while providing all-day comfort.

VERSATILE CONNECTIVITY

A detachable 3.5mm jack from the control unit offers you the flexibility to plug in to your smartphone or tablet to make calls or play your favorite music. Attach it back to the control unit and conveniently manage call functions with the touch of a button.
