

## MiniStation™

Shockproof External Hard Drive

## Shockproof, Reliable and Secure

Buffalo's MiniStation™ HD-PGF series is a slim and secure portable hard drive that comes in a patented shockproof chassis and features USB 3.2 Gen 1x1 connection as well as Buffalo's Lock and Go and "Predictive Breakdown" functions.

This external hard drive offers a sleek design with an attractive matte finish. The shock-resistant chassis can withstand drops from a height of up to 75 cm, and includes a specially-designed USB connection that reduces stress on the connector and the lowers risk of port failure.

This device also offers data security features for extra peace of mind. The "Predictive Breakdown" function regularly checks the drive and notifies you via the LED when the hard drive's health is deteriorating, so you can take immediate action. To avoid losing data due to drive failure, Buffalo recommends always backing up data on the drive to another device.

The Lock and Go feature allows both PC and Mac users to quickly and easily password-protect the drive. Once set, the MiniStation™ will stay locked until the correct password is re-entered – no matter where you take it!

This MiniStation™ is available in 1, 2, 4, and 5 TB capacities, and brings you the Buffalo quality you know and trust in a reliable, secure, and portable package.

## Features and Benefits

- Buffalo's patented shock-proof chassis withstands drops from a height of up to 75 cm and thus helps physically protect your data
- The "Predictive Breakdown" feature keeps track of your hard drive's health status, and notifies you via the LED when its health is deteriorating
- Lock and Go feature encrypts your drive with a password
- SuperSpeed data transfer with USB 3.2 Gen 1x1
- Specially-designed USB connector port
- Thin and lightweight:
  - 1TB: 13.5 mm and 150 g
  - 2TB: 16 mm and 180 g
  - 4TB, 5TB: 21.5 mm and 250 g
- USB powered, no additional power supply needed
- Plug and Play ready for immediate use
- USB 3.2 Gen 1x1 Micro-B to Type-A cable included

## About BUFFALO

BUFFALO is a leading global provider of award-winning storage, networking and multimedia solutions for the home and small business environments as well as for system builders and integrators. With more than four decades of networking and computer peripheral experience, BUFFALO has proven its commitment to delivering secure and reliable data solutions.

# Specifications

Internal Hard Drives	
Number of Drives	1
Hard Drive Capacities	1 TB, 2 TB, 4 TB, 5 TB
Interface	
Standard Compliance	USB 3.2 (Gen 1x1)/USB 3.1 (Gen 1)/USB 3.0/2.0
Connector Type	Micro-B
Number of Ports	1
Interface Speeds	Max. 5Gbps
Other	
Dimensions (WxDxH)	1 TB: 79.5 x 119 x 13.5 mm 2 TB: 79.5 x 119 x 16 mm 4 TB, 5 TB: 79.5 x 119 x 21.5 mm
Weight	1 TB: 150 g 2 TB: 180 g 4 TB, 5 TB: 250 g
Operating Environment	5-35 °C, 20-80% humidity (non-condensing)
Power Supply	DC 5 V (USB powered)
Client OS Support	Windows® 10/Windows® 8.1, Mac OS® 10.12 or later*

#### Product SKUs

HD-PGF1.0U3B-EU  
HD-PGF2.0U3BB-EU  
HD-PGF4.0U3GB-EU  
HD-PGF5.0U3GB-EU

\* Reformatting for Mac is required.
