Triple Monitor Mount with USB and Audio Ports

Create an efficient workspace with triple the screens, and say goodbye to neck, back, and shoulder pain with this monitor mount. Heavy duty steel and aluminum construction can hold three 32" monitors. Height adjustable, full motion design lets you work in a more comfortable ergonomic position. Quickly tilt, swivel, and rotate your screens as needed while you work.

Base includes built-in USB, audio, and microphone ports that can be connected to your CPU. Integrated cable management system keeps cords organized.

- Fits Screen Sizes up to 32"
- VESA Compatible: 75x75mm, 100x100mm
