A Triple Wireless Charger – and More

Place your MagSafe compatible devices, Apple AirPods/AirPods Pro, and Apple Watch on the MagSpeed3-in-1 to instantly revive them with top-flight charging technology.

MagSafe Compatible

In those situations where you want to use your phone while its charging at your desk, nightstand, kitchen bench, or elsewhere, the MagSpeed excels.

* The charging dock wirelessly charges your Apple Watch and any Qi-enabled device, such as an iPhone or AirPods.

Nightstand Mode Compatible

The Apple Watch charging module features an innovative hinge, allowing compatibility with all types of Apple Watch bands.

Simple to Use - Snap it, Charge it!

One of the biggest charms of wireless charging is that it's as easy as it looks. The MagSpeed 3-in-1 is testament to this. Wireless charging make one handed operation a breeze

* The ALOGIC Rapid Wireless Charging Dock for Apple Watch and iPhone has been designed to create a seamless fast charging experience. Ideal for the home or office***

** iPhone 12 or newer, MagSafe case compatible
