T|X

HANDHELD

Affordable Wi-Fi.

The Wi-Fi handheld with the big color screen.

With built-in Wi-Fi and Bluetooth® technology, this is the wireless device you've been waiting for. Browse the web and check email from your office, campus, or home network— and places like airports, cafes, and hotels.[1] Carry your Word, Excel, and PowerPoint files[2] and get more done anywhere. Web pages, presentations, spreadsheets, photos, and videos come to life on a large color screen that rotates from landscape to portrait mode. Have time to unwind? The Palm T|X handheld even lets you listen to MP3s[3] and read eBooks. It's anything but business as usual.
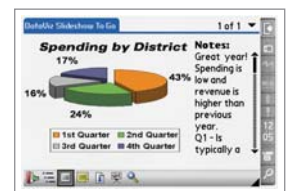

Features & benefits.

1 Built-in Wi-Fi for browsing the web or getting directions.[1]

2 Built-in Bluetooth technology for connecting with a compatible mobile phone for web, email and text messages.[1]
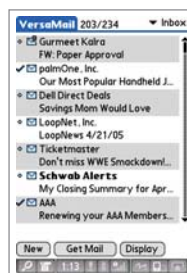

3 Edit and create Word, Excel, & PowerPoint compatible files.[2]

4 High-res 320 x 480 screen that rotates for landscape or portrait viewing.

5 128MB[4] flash memory to keep your information safe.

6 Browse the web & send email.[1]

7 View photos & videos of your friends and family.

8 Play MP3 files of your favorite music.[3]
