Low-Profile Tilt TV Wall Mount Bracket

A SLIM SOLUTION FOR LARGER SCREENS

This TV wall mount bracket is the perfect mounting option for small to medium TV and monitor screens. The downward tilt function helps to reduce glare for a better viewing experience. It offers a slim, low-profile design with a distance of less than 2 inches from the wall for a neat appearance.

- Safety screw locking system for added security
- Solid steel construction with a weight capacity of 77 lbs

A BETTER VIEWING EXPERIENCE. Downward tilt helps reduce glare.

EASY INSTALLATION. Get back to watching in no time.

DESIGN. Low profile, simple design for a clean and modern look.
