# Acrylic Security Enclosure Wall Mount (White)

## Acrylic Security Enclosure Wall Mount (White)

This durable, sleek, and easy-to-use security enclosure keeps tablets protected from theft and easily accessible on walls in offices, classrooms, restaurants, and more. The acrylic enclosure protects tablets with a special screw system that mounts the included VESA plate slide. This enclosure is intuitively designed with holes for cable routing through the back of the enclosure and can be mounted either horizontally or vertically. Clever open sides allow access to all of the device's ports and buttons. It mounts to walls via a 2-bracket system that allows quick docking and removal while also remaining securely locked to the wall.

### Features:
