Rotating Desk Mount w/ Acrylic Security VESA Enclosure (White)

This versatile desk mount is the perfect tablet stand for use in retail, restaurants, coffee shops, schools, hospitality desks, check-in stations, and more. The sturdy padded base can be permanently mounted to any horizontal surface but is also heavy enough for use without screwing it down. This kit comes complete with a secure, acrylic enclosure that attaches to the stand via VESA mount. It's intuitively designed with plenty of space to route charging cables both within the enclosure and down the center of the stand. Open sides allow access to all the device's ports and buttons. The stand allows a full 360-degree rotation – and allows tablet use in either portrait or landscape orientation.
