

PAD-VPOS1W

Simple VESA Desk Mount w/ Security Enclosure

“Compatible with iPad 10.2-inch (7th – 9th Generation),
iPad Air 3 (2019) & iPad Pro 10.5”

Simple VESA Desk Mount w/ Security Enclosure

This small but mighty table mount comes complete with sleek acrylic security enclosure. It is the perfect space-saving solution for pop-up shops, food trucks, tiny corner cafés, or mobile work spaces. With versatility built in, this mount features intuitive cable routing through both the enclosure and the center post of the base. It allows a full 360-degree rotation with pivot functionality for device use in both portrait and landscape orientations. The security enclosure protects tablets with a theft-detering screw system and is intuitively designed with access to all of the device’s ports and buttons. Compatible with iPad 7th, 8th, and 9th Generation 10.2”, iPad Air 3, and iPad Pro 10.5” tablets.

Features:

- Sturdy white 360-degree rotating table mount
 - VESA-compatible 75 x 75 and 100 x 100-millimeter mounting plate
 - Interior cable routing
 - Locking enclosure with theft-detering screw system
 - Ample space for cable routing
 - Mounts to any VESA compatible item
 - Portrait or landscape mounting
 - Open sides allow immediate access to all ports and buttons
- Compatible with iPad 10.2-inch (7th – 9th Generation), iPad Air 3 (2019) & iPad Pro 10.5”
