

# Anti-Theft Weatherproof Tilt TV Wall Mount

## For TV's & Monitors up to 80"

TV-WPTTM

### Anti-Theft Weatherproof Tilt TV Wall Mount

This sturdy VESA Mount Stand is an ideal solution for mounting monitors and digital signage both indoors and in protected (covered) outdoor spaces – like patios, retail pavilions and porticos, and anywhere else requiring screens. The stand itself is both electroplated and powder coated to withstand precipitation, salt air, and rust. It easily attaches to walls via the included hardware kit, and can be used with any VESA-compatible TV or monitor. Easy to assemble and very convenient, this mount stand holds TV's up to 80" max. Once installed, this stand allows leveling adjustment and this mount tilts and tilts 15-degrees for optimum viewing angles and glare reduction. The stand comes complete with a slide-enabled lock, ready for use with padlock and key (not included).
