

HYDRA1HDB

Heavy-Duty Single Monitor Gas Spring Monitor Arm

Designed for most 17"-35" monitors and holds up to 15kg/33lbs (per screen), the HYDRA1HDB economy heavy-duty gas spring monitor arm is perfect for heavy and oversized displays. Integrated 180° rotation stop prevents the arm from hitting adjacent partitions and walls. Quick-release VESA plate for quick mounting or removal of the monitor in mere seconds. Rear tool holder provides easy access for any future adjustment.

Features:

- Gas spring: for effortless adjustment for viewing comfort
- 360° Rotary VESA Plate: for more viewing experience
- Detachable VESA Plate Design: enables easy installation
- Integrated 180° Rotation Stop: prevents monitor arm from swinging into screens or walls
- Free-Tilting Design: easy forward or backward adjustment for better viewing
- Cable Management: keep everything organized
