Pole Clamp w/ Adjustable and Articulating VESA Mount

**Tablet for example purposes and not included

Pole Clamp w/ Adjustable and Articulating VESA Mount

This attachable VESA-plate arm clamps to tables or countertops, making it the perfect multi-screen holder for restaurants and other businesses who use 3rd party delivery services. Screw the rubber-grip base securely in place by tightening the vise-clamp. Then, add the 75 x 75 and 100 x 100mm VESA Plate, positioning at any location with 360-degree swivel points along the center pole. Simply choose a position and tighten with the attached tightening knob for secure placement. VESA plate is compatible with any VESA enclosures or devices (cases and enclosures not included), and allow plenty of tilt angles and rotation for use in either portrait or landscape orientation. This versatility boasts a superior ability to create a well catered kiosk that supports all the needs of your company or business.

Features:

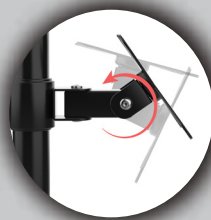

- Kit includes (1) VESA 75x75 and 100x100-millimeter mounting plates that attach to a pole to create a customizable configuration of tablet devices for management of delivery services
- Attaches to any VESA-ready tablet case or other device up to 3.6 lbs.
- Easily clamps to tables and flat surfaces
- Rubber interior lining to clamp for a frictionless sturdy grip
- Tilt adjustable in the vertical or horizontal direction per VESA mount
- Portrait and Landscape orientation adjustability per VESA mount
- Each VESA arm pole clamp is height adjustable for the perfect preferred height combination configuration with a stackable pole option.
