# TV and Monitor Wall Mount with Storage Compartment

For TV and Monitors from 14" to 42"

## TV and Monitor Wall Mount

This simple, space saving TV and monitor mount is an ideal solution for conference rooms, office lobbies, hospitality spaces, classrooms, presentation spaces, and any place that requires a screen on a wall. The sturdy metal mount is designed to fit inside a recessed wall cavity. It features plenty of space to route cables or even stow routers or other equipment. To mount a screen, simply attach brackets to the rear of the monitor via hex screws and included tool. Hang brackets from the top flange of the wall mount, and secure with screws at the bottom of the mount, which hold the monitor securely in place. This mount is compatible with VESA-compatible 14-42-inch screens up to 25 lbs.

### Features:

- Sturdy metal mount designed to sit in recessed wall cavity
- Brackets attach to back of screens via 75x75, 100x100, and 200x200mm VESA configuration
- Monitors hang from brackets and are secured with locking screws
- The mount allows for cable routing through wall and rear storage
- Compatible with VESA-compatible, 14-42-inch screens up to 25 lbs.
