

forum™

COLLABORATION SUITE

The Forum™ Table options are a perfect accompaniment to the Forum™ Display Stand for flexible hybrid videoconferencing scenarios to provide meeting equity for all participants.

FEATURES

Forum™ Angle Table Features & Benefits

- Angle shaped table allows for everyone's face to be seen by the remote participants and still easily interact in-person
- 30" Seated Height & 38" Counter Height table base options
- Two table size options: 59" Angle Table for 3-5 people and 90" Angle Table for 5-7 people
- The table surfaces are made from high pressure laminate (HPL); a super durable material that can withstand day-to-day meetings and is easily cleaned after each use
- Select your color and table base color independently to create the perfect table for your space
- Included modesty panel covers internal cable management
- Add optional Wiremold ModPower modular power system for device charging hubs at the users seat

Forum™ 59" Angle Table

Forum™ 90" Angle Table

Forum™ Arc Table Features & Benefits

- The Arc shaped table allows for all in-person participants to directly face the remote participants
- 30" Seated Height & 38" Counter Height table base options
- Designed for 2-3 people
- Connect two Arc tables together for larger groups
- The table surfaces are made from high pressure laminate (HPL); a super durable material that can withstand day-to-day meetings and is easily cleaned after each use
- Select your color and table base color independently to create the perfect table for your space
- Built-in cable management within the table legs and underneath the worksurface for clean lines and no cord clutter
- Included modesty panel covers internal cable management
- Add optional Wiremold ModPower modular power system for device charging hubs at the users seat

Forum™ Arc Table

COLLABORATION SUITE

FEATURES

Forum™ Rectangle Table Features & Benefits

- Rectangle Table is also perfect for meetings with mostly remote attendees while maintaining meeting equity for those participating in-person
- 30" Seated Height & 38" Counter Height table base options
- Designed for 1-2 people
- Connect to Arc tables to create a larger table for video conferencing
- Can be used in seated or standing height
- The table surfaces are made from high pressure laminate (HPL); a super durable material that can withstand day-to-day meetings and is easily cleaned after each use
- Built-in cable management within the table legs and underneath the worksurface for clean lines and no cord clutter
- Select your color and table base color independently to create the perfect table for your space
- Built-in cable management within the table legs and underneath the work surface for clean lines and no cord clutter
- Included modesty panel covers internal cable management
- Add optional Wiremold ModPower modular power system for device charging hubs at the users seat

Forum™ Rectangle Table

SPECIFICATIONS

The Forum Table shall be Middle Atlantic Products model # _____ (refer to chart). The Forum Table shall include a worksurface constructed of 1" thick high pressure laminate. The Forum Angle Table shall be ___" wide and ___" long (refer to drawing) and 30" or 38" from the floor. The Forum Arc Table shall be 87.34" wide and 33" deep and 30" or 38" from the floor. The Forum Rectangle Table shall be 60" wide and 27" deep and 30" or 38" from the floor. The Forum Table shall include integrated cable management on the underside of the worksurface to route cables. Steel components shall be warrantied to be free from defects in material or workmanship under normal use and conditions for 25 years. High Pressure Laminate components shall be warrantied to be free from defects in material or workmanship under normal use and conditions for a period of 10 years. The Forum Angle, Rectangle and Arc Tables shall be manufactured by an ISO 9001 and ISO 14001 registered company.

For specifications on the acoustic felt made from polyethylene terephthalate (PET) please visit <https://www.focal-pointlights.com/reference>
