Heavy Duty Rolling Floorstand with VESA compatible Flexible Gooseneck

Customize your workspace with a rolling cart base with pole and VESA-Compatible gooseneck mount from CTA Digital. This ultra-durable, rolling floor stand gives lots of options, starting with a telescoping, height-adjusting pole. 5 powerful swivel casters attach to the chrome-plated base, making moving this stand a breeze. It locks in place with an easy foot toggle switch. At the top, find a unique gooseneck component with a standard 75 x 75, and 100 x 100-millimeter VESA plate that attaches to any compatible tablet case or enclosure. The bendable gooseneck provides a wide array of positioning options, as well as the ability to view tablets in either portrait or landscape orientation.
