# Medical Rolling Cart with Articulating Arm & Accessories

Optimize your practice with CTA Digital's sturdy Medical Rolling Cart with Articulating Arm, basket, and power strip holder! This ultra-durable, stand moves on 5 smooth-rolling wheels through hospitals, doctors' offices, classrooms, surgical suites, and more. A telescoping, height-adjusting pole locks in place with an easy foot toggle switch. It features lots of built-in efficiencies. An attachable VESA plate arm clamps around the center pole and securely holds the included tablet enclosure. A folding metal basket strongly grips the central pole and provides a spacious storage area for accessories, paperwork, cables, PPE, and more. A sturdy bracket attaches to the pole to cradle a power strip and keep cords tidy. The enclosure is compatible with iPad 7th, 8th, and 9th Gen 10.2", iPad Air 3, and iPad Pro 10.5".
