# Premium VESA Compatible Floor Stand Kiosk with Enclosed Printer Storage & Cable Management

## Premium VESA Compatible Floor Stand Kiosk with Enclosed Printer Storage & Cable Management

This durable, easy-to-use floor stand kiosk with locking compartment for a receipt printer is ideal for retail point of sale, hospitality desks, service counters, and more. Its sturdy metal design contains 3 useful storage compartments. The top unit is designed to house and secure a receipt printer. The 75 x 75 and 100 x 100-mm VESA-compatible plate at the top comes ready to attach to any compatible monitor or enclosure (not included). Holes through the center of the tower allow plenty of space to stow screen and printer cables. Weighted steel plates with adhesive pads protect surfaces and provide a secure base for the kiosk. Pre-drilled holes and hole covers allow this kiosk to be permanently mounted to floors, if desired.

### Features:

- Heavy duty metal base has pre-drilled holes for permanent mounting
- VESA-compatible top plate contains 75 x 75 and 100 x 100-mm VESA holes, ready for connecting to a compatible monitor or tablet enclosure (screens not included)
- Each of the 3 storage areas (including the top printer shelf compartment) comes with its own set of keys
- Top shelf is designed for a printer, and features a front receipt slot
- Padded base protects surfaces
- Interior cable routing
