"For iPad 10.2 (7th-9th gen), 11-inch iPad Pro (2018), iPad Air and more"

Premium Locking Floor Stand Kiosk with Universal Security Enclosure, Keyboard Tray, and Storage Compartment (White)

This sturdy kiosk floor stand with weighted base makes a bold statement in hotel lobbies, trade shows, sales meetings, retail locations, welcome centers, and any place that requires a workstation kiosk. This Kiosk has a secure, slip and scratch-resistant pad that protects floors. Atop this stand, CTA's popular Universal Locking Enclosure holds your tablet in place with the included set of foam inserts. It protects from theft with a powerful lock and key security system. It mounts via VESA attachment, and can be positioned in either landscape or portrait orientation. Interior cable routing through both the enclosure and stand and keeps charging cords neatly out of the way. The keyboard tray features a sliding extension for use as extra surface space and features a secure edge lip that holds keyboards in place. Attach the included brochure holder to display important company, product information or to use as a storage compartment for an all-in-one workstation.
