

Multi-Screen Flexible Desk Mount Kiosk w/ Quick Release

"for iPad 10.2, iPad Air 3 and iPad Pro 10.5"

PAD-PARAMULTI3

Multi-Screen Flexible Desk Mount Kiosk w/ Quick Release

CTA Digital's Multi-Enclosure Universal Desk Mount creates an up to three-tablet tower, ideal for use as a point-of-sale unit for multiple food delivery services or even warehouse inventory management. A heavy base holds a center support that can be adjusted from to an up to 30 degree angle for optimal viewing. The top third of the support hinges to create an instant two-sided station. This kit includes 3 of CTA's popular Magnetic Splash-Proof Cases with metal mounting plates. Each one attaches to the tower via strong magnetic plate on the base. A rugged, military grade outer jacket protects tablets from splashes or impact – and is designed to allow full access to the tablet's ports and buttons. Once on the tower, height adjustments allow the space necessary to use tablets in either portrait or landscape modes. Cases are compatible with iPad 7th, 8th, and 9th Generation 10.2", iPad Air 3, and iPad Pro 10.5".

Features:

- Versatile heavy-duty food delivery service management tower
- Military Grade Certified (MIL-STD-810G) case is impact resistant and splash-proof
- Silicone Case & Screen Protector can be wiped with Sanitizing Wipes
- Full access to charge port, speakers, and home button
- Embedded magnets allow easy attachment to tower's magnetic plates
- Top monitor can angle flips to opposite side for 2-sided use, or can be used as a stack of 3 for 1-sided use
- All three mounting areas contain magnetic plates
- Adjustment joints can be easily tightened with included Allen Key
- Bolts are covered with stylish rubber covers
- All cables can be neatly routed through hollow center post
- Height adjustable 5" range allows for optimal viewing angles
- Compatible with iPad 7th/8th/ 9th Gen 10.2", iPad Air 3, iPad Pro 10.5"

Specifications:

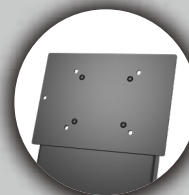

- Case dimensions: 10.25"H x 7.75L" x 1"W
- Stand dimensions: 31"H x 12"W x 12.8" D
- Base footprint: 11.8" L x 10.4"W
- Weight: 14.5 lbs.

Package Includes:

- (1) Desk mount with magnetic plates
- (3) Rugged Cases
- (1) Set hardware
