# POS Station with Printer Stand, Magnetic Scanner & Card Reader Holder w/ White Universal Security Enclosure

## POS Station with Printer Stand, Magnetic Scanner & Card Reader Holder w/ White Universal Security Enclosure

This countertop POS Station is a heavy-duty stand with a durable universal enclosure that protects tablets from theft with a powerful lock and key security system. The enclosure can be mounted either vertically or horizontally and is designed to allow interior cable routing so that your device remains charged while in use. This useful POS station comes complete with a printer stand, a scanner holder and a universal card reader holder. The easily interchangeable metal bracket can be attached on both right and left sides for a user preference. The scanner holder and card reader holder are easily attached on the stand & enclosures by magnetic pads, allowing them to be placed in different positions. The card reader holder is width adjustable to fit different size card readers. This stand provides a reserved space in the front to allow for a receipt printer option. This is the perfect addition for a point-of-sale location, retail store, warehouse set up and more. Compatible with 7-11" tablets.
