

PAD-TKSC11

Tablet Carrying Case for iPad 11" with Kickstand

Tablet Carrying Case for iPad 11" with Kickstand

CTA Digital's Protective iPad Case is the ideal solution for those needing a workstation on-the-go. A cleverly designed kickstand offers a variety of height and adjustment configurations. For simple tabletop reading, angle the kickstand and rest the iPad on the table. For more height, unfold the stand and flip the baseplate. Rubber pads on the kickstand protect worksurfaces from scratches. To view in portrait mode, turn the iPad to its vertical position and lean it on the kickstand. When it's time to travel, stow your stylus in the case's port. Your device will be well-protected against drops and bumps in a rugged silicone jacket and acrylic cover. The case is designed to allow full access to your iPad's ports, buttons, and jacks, and comes with an adjustable shoulder strap for easy transport. Compatible with iPad Pro 11-inch tablets.

Features:

- Impact resistant hard case shields iPad from drops, falls, and collisions
- Outer silicone jacket offers additional protection
- Full access to ports, buttons, and jacks
- Adjustable shoulder strap
- Fold-out kickstand gives a variety of fast tabletop displays
- Compatible with iPad Pro 11 inches
