

# Content Creation XLR Toolkit #2

## MPSK-CT2-XLR

Give your students the opportunity to be content creators, rather than consumers, with HamiltonBuhl's Content Creation XLR Toolkit #2. This kit helps promote building valuable skills as well as increasing opportunities for students to learn digital citizenship, gain experience producing work for a wider audience than just their teacher, while also learning to be cognizant of their responsibilities to a real audience.

### This Kit Includes:

#### (1) On-Air!™ XLR Mic

XLR Cardioid Podcasting Microphone with Telescopic Desktop Stand and Pop-Guard: This portable XLR multi-functional microphone provides the versatility and flexibility needed to do quality broadcasts, interviews, podcasts, esports streaming and more from nearly any location, with clear, rich sound.

#### (1) Folding Sound Isolation Shield

Makes clean, controlled, and noise-free recordings, reducing unwanted room noise. Compact, portable, lightweight, foldable design (16.5" x 11.8" x 4.7"). Includes stand and base for the Isolation Shield.

#### (1) Smart-Trek Deluxe Headphones

The durable, sleek Smart-Trek™ deluxe headphones are versatile – compatible with a wide variety of technologies. Designed to stand up to the K-12 environment, Smart-Trek™ headphones are built to last and are tremendously comfortable with high quality leatherette ear cushions. Easily adjustable to fit students of all ages. Easy to clean and provide excellent noise-isolation. Features the trusted Dura-Cord™ – the chew, kink and knot-resistant, PVC-jacketed, braided nylon cord.

#### (1) Portable Podcast Mixer Production System

This Portable Podcast Mixer Production System is ideal for live streaming, podcasting, recording, chatting, broadcasting, gaming, guitar and is compatible with PC, Mac and smart phones. The On-Air Plus mic easily connects to the mixer for a feature packed system, ideal for almost any user, at any age. Features 7 customizable jingle pads, noise reduction, multi-channel streaming, 6 reverb modes, 4 preloaded audio effects, and more! Fully control your recorded podcasts for professional results!

Shipping Information:  
13 lbs., 19" x 14" x 13"  
Warranty: 1 year

For Pro Podcasting and Recording!

# Content Creation XLR Toolkit #2

## MPSK-CT2-XLR

The **Portable Podcast Mixer Production System** greatly simplifies the podcast production process by integrating several digital audio mixing components into one comprehensive solution. It is very easy to set up and use in any room to record or broadcast live. It delivers superb sound quality and offers intuitive and full control that suits the needs of both beginners and seasoned broadcasters.

It offers four channels of audio mixing and easy connections to microphones, smartphones and other sources. It uses advanced engineering that allows the user to control the sound levels and add live vocals and sound effects through a comprehensive set of tools to avoid difficult post-production and editing.
