Universal Card Reader Rotating Terminal Stand For Card Readers

Universal Card Reader Rotating Terminal Stand

This convenient Universal Card Reader Holder securely cradles virtually every POS station. It's an ideal solution for food service, hospitality, or any retail environment. Card reader units (not included) are securely cradled in the holder with adjustable rubber clips and bumpers. For a snug fit, simply use the included hex tool to loosen joints. Adjust clips to the proper width, and tighten. This stand features a fully rotating head and 180-degrees of tilt adjustability. Choose between double-sided foam adhesive pads or pre-drilled holes on the base for permanent mounting to countertops. Use the included base cover to create a neat, polished look. Find plenty of space to route cables through the center post.

Features:

- Durable all metal construction
- Can be used with virtually any POS terminal
- Compatible with most 2.8 – 4-inch card readers (not included)
- Loosen joints with included hex tool to adjust rotation and tilt angles
- Rubber tipped clips and bumpers protect card readers against scratches
- Features a round base cover to hide screw attachment holes
- Route cables through center post to keep work surfaces neat

Specifications:

- Dimensions: 12.4"L x 8.3"W x 0.8"D
- Weight: 0.9 lbs.

Package Includes:

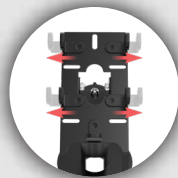

- (1) Universal Card Reader Holder
- (1) Set of hardware
