

AMRP150H

Projector Ceiling Mount- Heavy Duty

The AMRP150H is a heavy duty ceiling projector mount designed to hold projectors up to a maximum weight of 55 lbs or 25 Kg. The unit has a sleek look with its high quality aluminum and synthetic materials. It supports an in-tube cable management system and a flexible ball joint allowing for different angle placement of a projector.

The AMRP150H features include:

- In Tube Cable Management System
- Patented Ball Joint Structure
- Universal Projector Mount 380mm diameter
- Height Adjustment
- Aluminum Structure
