

AMRV120

Steel Track-Mounted Monitor Holder

The Amer Mounts AMRV120 track-mounted monitor holder is great solution for increasing mobility for your monitor arms. This holder features easy installation on monitor mounts with industry standard mounting patterns (75mm x 75mm/ 100mm x 100mm). With the AMRV120 installed, a monitor can achieve an extra 15cm of up and down mobility. The toothed track keeps the adjustment smooth and stable. The mount can support monitors up to 8kg in weight while maintaining reliable mobility. The AMRV120 is a perfect option to add more adjust-ability to an existing monitor mount.

Features:

- Extra 15cm of Vertical Mobility
- Sturdy Steel Construction
- M4/M5 Screws and Washers Included
- Easy Assembly
